

*The National Park Service is the official partner of the 2016 Tournament of Roses Parade as a part of the NPS Centennial Celebration. The Parade theme is "Find Your Adventure". We are very fortunate to have the Plymouth-Canton Education Park Marching Band representing Southeast Michigan and River Raisin National Battlefield Park in the Parade. The school will be sending 190-210 of their students in band to perform (they have over 400 in their band program). The Tournament of Roses Parade is broadcast to over 80 million viewers world-wide.*

*We are very excited about our partnership with the Tournament of Roses Parade and the Plymouth-Canton Education Park as we move towards celebrating the NPS Centennial in 2016.*
